(C) Infestation and/or Damage By Wood Boring Insects.

Buyer, at Buyer's own expense, shall have the right to have the Property inspected by a licensed exterminating company of Buyer's choice, for the purpose of determining if the Property is free from infestation and damage from termites or other wood destroying insects. If Buyer chooses to make this inspection, the inspection must be completed and written reports must be furnished to Seller and Broker(s) within fourteen (14) calendar days after the attorney-review period is completed or, if this Contract is timely disapproved by an attorney as provided in the attorney-review section of this Contract, then within fourteen (14) calendar days after the parties agree to the terms of this Contract. This report shall state the full cost of treatment and repairs if there is any indication of infestation or damage. If the cost to cure infestation and/or repairs and treatment exceed 1% of the purchase price of the Property, then either party may void this Contract provided they do so within seven (7) calendar days after the report has been delivered to Seller and Brokers. If Buyer and Seller are unable to agree upon who will pay for the cost to cure and neither party timely voids this Contract, then Buyer will be deemed to have waived its right to terminate this Contract and will bear the cost to cure.

(D) Buyer's Right to Inspections.

 Buyer acknowledges that the Property is being sold in an "as is" condition and that this Contract is entered into based upon the knowledge of Buyer as to the value of the land and whatever buildings are upon the Property, and not on any representation made by Seller, Brokers or their agents as to character or quality of the Property. Therefore, Buyer, at Buyer's sole cost and expense, is granted the right to have the dwelling and all other aspects of the Property, inspected and evaluated by "qualified inspectors" (as the term is defined in paragraph G below) for the purpose of determining the existence of any physical defects or environmental conditions such as outlined above. If Buyer chooses to make inspections referred to in this paragraph, such inspections must be completed, and written reports must be furnished to Seller and Brokers of this Contract within fourteen (14) calendar days after the attorney-review period is completed or, if this Contract is timely disapproved by an attorney as provided in the attorney-review section of this Contract, then within fourteen (14) calendar days after the parties agree to the terms of this Contract. If Buyer fails to furnish such written reports to Seller and Brokers within the fourteen (14) calendar days specified in this paragraph, this contingency clause shall be deemed waived by Buyer, and the Property shall be deemed acceptable by Buyer. The time period for furnishing the inspection reports is referred to as the "Inspection Time Period." Seller shall have all utilities in service for inspections.

(E) Responsibility to Cure.

If any physical defects or environmental conditions (other than radon or woodboring insects) are reported by the qualified inspectors to Seller within the Inspection Time Period, Seller shall then have seven (7) calendar days after the receipt of such reports to notify Buyer in writing that Seller shall correct or cure any of the defects set forth in such reports. If Seller fails to notify Buyer of Seller's agreement to so cure and correct, such failure to so notify shall be deemed to be a refusal by Seller to cure or correct such defects. If Seller fails to agree to cure or correct such defects within the seven (7) calendar day period, or if any part of the dwelling is found to be located within a flood hazard area, or if the environmental condition at the Property (other than radon) is incurable and is of such significance as to unreasonably endanger the health of Buyer, Buyer shall then have the right to void this Contract by notifying Seller in writing within seven (7) calendar days thereafter. If Buyer fails to void this Contract within the seven (7) calendar day period, Buyer shall have waived Buyer's right to cancel this Contract and this Contract shall remain in full force, and Seller shall be under no obligation to correct or cure any of the defects set forth in the inspections. If Seller agrees to correct or cure such defects, all such repair work shall be completed by Seller prior to the closing of title. Radon at the Property shall be governed by the provisions of Paragraph (B), above.

(F) Flood Hazard Area (if applicable).

The federal and state governments have designated certain areas as flood areas. If the Property is located in a flood area, the use of the Property may be limited. If Buyer's inquiry reveals that the Property is in a flood area, Buyer may cancel this Contract within ten (10) business days after the attorney-review period is completed or, if this Contract is timely disapproved by an attorney as provided in the attorney-review section of this Contract, then within fourteen (14) calendar days after the parties agree to the terms of this Contract. If the mortgage lender requires flood insurance, then Buyer shall be responsible for obtaining such insurance on the Property. For a flood policy to be in effect immediately, there must be a loan closing. There is a 30-day wait for flood policies to be in effect for cash transactions. Therefore, cash buyers are advised to make application and make advance payment for a flood policy at least thirty (30) days in advance of closing if they want coverage to be in effect upon transfer of title.

Buyer's mortgage lender may require Buyer to purchase flood insurance in connection with Buyer's purchase of this Property. The National Flood Insurance Program ("NFIP") provides for the availability of flood insurance but also establishes flood insurance policy premiums based on the risk of flooding in the area where properties are located. Due to amendments to federal law governing the NFIP, those premiums are increasing and, in some cases, will rise by a substantial amount over the premiums previously charged for flood insurance for the Property. As a result, Buyer should not rely on the premiums paid for flood insurance on this Property previously as an indication of the premiums that will apply after Buyer completes the purchase. In considering Buyer's purchase of this Property, Buyer is therefore urged to consult with one or more carriers of flood insurance for a better understanding of flood insurance coverage, the premiums that are likely to be required to purchase such insurance and any available information about how those premiums may increase in the future.

23. AIR SAFETY AND ZONING NOTICE:

Any person who sells or transfers a property that is in an airport safety zone as set forth in the New Jersey Air Safety and Zoning Act of 1983, N.J.S.A.6:1-80, et seq., and appearing on a municipal map used for tax purposes shall provide notice to a prospective buyer that the property is located in an airport safety zone prior to the signing of the contract of sale. The Air Safety and Zoning Act also requires that each municipality in an airport safety zone enact an ordinance or ordinances incorporating the standards promulgated under the Act and providing for their enforcement within the delineated areas in the municipality. Buyer and Seller acknowledge that the following list of airports and municipalities that may be affected by them under the Air Safety and Zoning Act is provided for information only, that they are not relying on this list, which they understand may be not complete or accurate, and that a real estate licensee's obligation to provide information about the Air Safety and Zoning Act is satisfied by the inclusion of Section 21 in this Contract concerning off-site conditions.

589 590 The New Jersey Bulk Sales Law, N.J.S.A.54:50-38, (the "Law") applies to the sale of certain residential property. Under the Law, Buyer may be liable for taxes owed by Seller if the Law applies and Buyer does not deliver to the Director of the New Jersey Division of Taxation (the "Division") a copy of this Contract and a notice on a form required by the Division (the "Tax Form") at least ten (10) business days prior to the Closing. If Buyer decides to deliver the Tax Form to the Division, Seller shall cooperate with Buyer by promptly providing Buyer with any information that Buyer needs to complete and deliver the Tax Form in a timely manner. Buyer promptly shall deliver to Seller a copy of any notice that Buyer receives from the Division in response to the Tax Form.

The Law does not apply to the sale of a simple dwelling house, or the sale or lease of a seasonal rental property, if Seller is an individual, estate or trust. A simple dwelling house is a one or two family residential building, or a cooperative or condominium unit used as a residential dwelling, none of which has any commercial property. A seasonal rental property is a time share, or a dwelling unit that is rented for residential purposes for a term of not more than 125 consecutive days, by an owner that has a permanent residence elsewhere.

If, prior to the Closing, the Division notifies Buyer to withhold an amount (the "Tax Amount") from the purchase price proceeds for possible unpaid tax liabilities of Seller, Buyer's attorney or Buyer's title insurance company (the "Escrow Agent") shall withhold the Tax Amount from the closing proceeds and place that amount in escrow (the "Tax Escrow"). If the Tax Amount exceeds the amount of available closing proceeds, Seller shall bring the deficiency to the Closing and the deficiency shall be added to the Tax Escrow. If the Division directs the Escrow Agent or Buyer to remit funds from the Tax Escrow to the Division or some other entity, the Escrow Agent or Buyer shall do so. The Escrow Agent or Buyer shall only release the Tax Escrow, or the remaining balance thereof, to Seller (or as otherwise directed by the Division) upon receipt of written notice from the Division that it can be released, and that no liability will be asserted under the Law against Buyer.

25. NOTICE TO BUYER CONCERNING INSURANCE:

Buyer should obtain appropriate casualty and liability insurance for the Property. Buyer's mortgage lender will require that such insurance be in place at Closing. Occasionally, there are issues and delays in obtaining insurance. Be advised that a "binder" is only a temporary commitment to provide insurance coverage and is not an insurance policy. Buyer is therefore urged to contact a licensed insurance agent or broker to assist Buyer in satisfying Buyer's insurance requirements.

26. MAINTENANCE AND CONDITION OF PROPERTY:

Seller agrees to maintain the grounds, buildings and improvements, in good condition, subject to ordinary wear and tear. The premises shall be in "broom clean" condition and free of debris as of the Closing. Seller represents that all electrical, plumbing, heating and air conditioning systems (if applicable), together with all fixtures included within the terms of the Contract now work and shall be in proper working order at the Closing. Seller further states, that to the best of Seller's knowledge, there are currently no leaks or seepage in the roof, walls or basement. Seller does not guarantee the continuing condition of the premises as set forth in this Section after the Closing.

27. RISK OF LOSS:

The risk of loss or damage to the Property by fire or otherwise, except ordinary wear and tear, is the responsibility of Seller until the Closing.

28. INITIAL AND FINAL WALK-THROUGHS:

In addition to the inspections set forth elsewhere in this Contract, Seller agrees to permit Buyer or Buyer's duly authorized representative to conduct an initial and a final walk-through inspection of the interior and exterior of the Property at any reasonable time before the Closing. Seller shall have all utilities in service for the inspections.

29. ADJUSTMENTS AT CLOSING:

Seller shall pay for the preparation of the Deed, realty transfer fee, lien discharge fees, if any, and one-half of the title company charges for disbursements and attendance allowed by the Commissioner of Insurance; but all searches, title insurance premium and other conveyancing expenses are to be paid for by Buyer.

Seller and Buyer shall make prorated adjustments at Closing for items which have been paid by Seller or are due from Seller, such as real estate taxes, water and sewer charges that could be claims against the Property, rental and security deposits, association and condominium dues, and fuel in Seller's tank. Adjustments of fuel shall be based upon physical inventory and pricing by Seller's supplier. Such determination shall be conclusive.

If Buyer is assuming Seller's mortgage loan, Buyer shall credit Seller for all monies, such as real estate taxes and insurance premiums paid
